Minutes of the previous meeting were approved	Hadley
We met at Field Recordings compliments of Randy's son-in-law Andrew Jones. He is also the owner of Fabelist Winery and Tin City Cider Company sites of previous meetings. It was discussed that it was in order to send a thank you card for his generosity in allowing us to meet in his businesses while the Corona Virus restrictions are in place. Hadley said he would take responsibility for that task.	
It was noted that Rhonda Beanway had passed. Rhonda was the owner of the Pozo Saloon site of many of the CCMA functions and a place that most of us have frequented often. We will be sending condolences to the family.	Dennis
We decided to hold impromptu elections. Joey had served as an admirable president for several years now. We truly appreciate the awesome job he did and hope that his successor can fill those big shoes. With out further ado I'd like to introduce our new President Hadley Osran. Steve Hinton will be the vice president. It was a Unanimous vote for both. Good luck gentlemen. Carl retained his position of Secretary by a narrow margin.	

Minutes of the CCMA meeting

<p>Poker Run and Hang Over Ride</p> <p>Alicia notified Dennis that the permit for the Poker Run was being revoked, Corona again. No word yet as to when the forests will reopen and we can start scheduling future events at Pozo. Needless to say the Hangover Ride is up in the air. Getting a permit maybe impossible even if the forests are reopened.</p>	<p>Hadley Osran</p>
<p>Aventure Ride</p> <p>It was decided that the club with Tom's help would promote an ADV ride. There will be no charge for this ride. It will follow the loop that Tom had laid out for the ride that was supposed to be held this spring but was cancelled again due to Corona.</p> <p>The date for that ride is 10/17/2020. Hopefully the fires will be under control and roads will be open. Tom will resend the posters he created earlier with the price changes and date changes.</p> <p>The ride will culminate at the Pozo Saloon. We discussed that since the club can't have an organized event out at Pozo, no permit, that we would have an unofficial ride day. and meet at the Saloon to partake in the festivities. Tom will send out an eBlast.</p> <p>The BBQ will begin at approximately 1:00 pm.</p>	<p>Tom Marcott</p>
<p>Trail Maintenance</p> <p>Soil conditions are very dry right now.</p> <p>Made plans for future projects.</p> <ol style="list-style-type: none"> 1. There are a couple of edges of Howards that are getting narrow we discussed installing low retaining walls to stabilize the trail. 2. We also discussed the section of Las Chichis that is always a challenge. Robert suggested that on many mountain bike areas they build bridges over the obstacles rather than trying to fix them. This spot might lend itself to that sort of a project. The ground is solid rock and the step up is pretty large. Another option might be pavers to smooth out some of the eroded approach to the step up. 	<p>Bruce Whitcher</p>
<p>CCMA BBQ</p> <p>At this time we don't have any future BBQ's planned. Until the Corona situation is solved its difficult o gather in groups larger than 10 or 15.</p>	<p>Joey Maxvill</p>
<p>Grants</p> <p>SLO county grant has been funded. Bruce was finally reimbursed for the expanses we have incurred. We talked about what other equipment/tools we might need to purchase for use in trail maintenance. We also discussed that we would like to have more training on the dozer and other equipment the club owns. No point in having it if we don't have qualified operators.</p>	<p>Bruce Whitcher and Mark Miller</p>
<p>Club Jerseys</p> <p>The club jerseys are in the works. We have had almost 50 guys request jerseys. With the help of Hot Shoppe and Tom Marcotte's art work we should soon be the best dressed club out there not to mention the most patriotic! It's not to late to get in on this. Final ordering is happening this month.</p>	<p>Carl Brandt</p>

Upcoming Rides

Kennedy Meadows: Weekend after Labor day 9/13-9/15 is off due to the fires and closure of the National Forests.

The 2-Day Ride will be at Chuchupate again. There is a campground that has plenty of sites and public restrooms if open. again assuming the forests are reopened by then.

10/31 and 11/1. Bring your own riding costume. Saturday will be about a 60 mile loop and Sunday will be a shorter loop maybe 40 miles.
